5.5	Has the University conducted an academic audit? If yes, pl. give details regarding frequency and its usage.	<p>The faculty has been oriented towards academic audit. The norms of the regulatory bodies are followed.</p> <p>Academic Audit Process focuses on :</p> <ul style="list-style-type: none"> <li>• Improving teaching learning process</li> <li>• Students assessment</li> <li>• Providing need-based curricula subject to constraints of the regulatory bodies.</li> <li>• Ensuring quality education in terms of outcomes.</li> </ul>	
5.6	Apart from classroom instruction, what are the other avenues of learning provided for the students? (Example: Projects, Internships, Field Trainings, Seminars, etc.)	Projects, Problem-based learning, internships, field training, Journal clubs, guest lectures, CMEs, Seminars and Conferences are regularly organized.	
5.7	Please provide details of the examination system ( whether examination based or practical based)	As per existing system, examinations are based both on theory and practical. Question papers are set by external examiners and evaluation of answer books done by external and internal examiners. Questions belonging to different sections/ parts of question papers are attempted on separate answer books and evaluated separately by external and internal examiners. Practical examinations are conducted by panels of external & internal examiners as per announced date sheet.	
5.8	What methods of evaluation of the answers scripts does the University follow? Whether external experts are invited for evaluation?	Evaluation of answer books are done under the supervision of Controller of Examinations. The answer sheets are coded by Secrecy Branch allotting fictitious roll numbers. The Internal and External examiners are invited on the prefixed dates for evaluation on the spot evaluation centers set up for the purpose within the university premises, where as evaluation by external examiners are carried out at their convenient place. Guidelines of respective regulatory bodies are followed.
