**WORKSHOP
ON
CRITICAL CARE NURSING**

MAY 9th 2019

ORGANIZED BY:

COLLEGE OF NURSING.

VENUE: AUDITORIUM, ADESH UNIVERSITY

BATHINDA

CON was established in 2005 with the aim to prepare the graduate nurses & post graduate nurses to assume responsibilities as professional nurse.

The college strives for preparing students for academic excellence like classroom teaching with appropriate A.V aids, quiz, organizing workshop & laboratory demonstrations and ensures their personality development.

Clinical experience is provided to the students in 750 bedded parent hospital under the continuous supervision of dedicated faculty.

ABOUT THE WORKSHOP

Workshop is designed for participants to get an opportunity to critically reviewed key concepts in critical care in order to enhance knowledge, skills and decision making in care of the critically ill patients .

Critically develop and apply an evidence based approach to leadership in order to promote and demonstrate clinical competence and excellence in critical care.

Critical care nursing focus on utmost care of the critically ill or unstable patients following extensive injury, surgery or life threatening diseases. It is to promote excellence of care of critically ill patients by specialist nurses.

AIMS AND OBJECTIVES

On completion of the workshop the participants will be able to

- Explain the concept of critical care nursing
- Gain insight about importance of infection control in critical care.
- Develop competency in assessing GCS and handling ventilator
