Dear Friends and Colleagues,

The PAOICON-PUNJAB CHAPTER-2020 organizing committee invites you to 12th Annual conference of Otorhinolaryngologists of India to be held at ADESH INSTITUTE OF MEDICAL SCIENCES & RESEARCH BATHINDA (Punjab) on 3rd, 4th & 5th April 2020 (Friday, Saturday & Sunday). It is being organised by Dept. of ENT-AIMSR, Adesh University, Bathinda (Punjab).

Otorhinolaryngology has evolved as a super speciality surgical branch in the recent years. Now a days E.N.T is not limited to only the traditional Ear, Nose & Throat Surgeries but also includes the advanced Head and Neck Surgeries including Cancer surgeries, Endoscopic sinus skull base surgeries and microscopic lateral skull base surgeries. Use of endoscopes has revolutionised our speciality. We have made the lives of our Neuro and Ophthalmic colleagues easy by developing transnasal techniques for difficult to approach lessons by external approaches.

So organising and attending advanced teaching programs and conferences has become the need of hour. So, keeping this in mind we have planned the best possible scientific program including basic and advanced live surgeries, panel discussions, orations, guest lectures and presentation of research paper by our senior and junior colleagues. We assure you to come up to your expectations and we will provide you the great academic feast and hospitality.
