PRESS NOTE

It's our pleasure to inform that ADESH UNIVERSITY BATHINDA has been awarded the "Six Sigma Healthcare Excellence Award" – Oscars of Indian Healthcare under the category "Best Healthcare Academic Institution of the Year" in recognition of its' outstanding achievements, diligence, noble services, sustained contributions to the society and capacity to translate vision into reality.

The prestigious award was received by **Dr. H. S. Gill, Chancellor of ADESH UNIVERSITY** in a function held at The Leela Abmience, Gurgaon, Delhi-NCR, India, on Sat, 26th December 2015 in the august presence of distinguished Chief Guests like Health Minister of Delhi Mr. Satyendra Jain, Member of Parliament Dr. Kirpal Solanki and more than 400 healthcare leaders like – Dr. Naresh Trehan, Dr. MC Misra (Director-AIIMS), Ms. Sangita Reddy (CMD-Apollo), Dr. Arvind Lal (Lal Path Lab) and many more. The event was widely covered by many electronics and print media.

After a rigorous nomination process, tough internal – external audit, deep analysis and top level juries judgement, nomination filed by **Dr. GPI Singh, Vice Chancellor of ADESH UNIVERSITY** was selected among 267 applications received across the nation. The jury were highly impressed with the level of activities undertaken by the organization and admitted the passion of the institution to CHANGE LIVES.

ADESH GROUP OF INSTITUTIONS started its' journey with the primary objectives of promoting education with special focus in professional studies under his dynamic leadership. The **Adesh Group of Institutions**, pioneer in healthcare and higher education in medical and technical education came into existence in the year 1990 at Sri Muktsar Sahib, Punjab. The society has been promoted by well noted personalities, philanthropists and educationists of this region.

The Group established **Adesh University** at **Bathinda, Punjab** under Govt. of Punjab Act No. 6 of 2012 running **Adesh Institute of Medical Sciences & Research** (*estd. 2006*) with annual intake of 150 students in **MBBS** course and **MD / MS** post graduate courses in

various pre, para and clinical specialities recognised by Medical Council of India / Ministry of Health & FW, Govt. of India. **The 700 bedded advanced teaching hospital** (*estd. 2005*) is equipped with all modern diagnostic and treatment facilities in all clinical specialities and super-specialities. For outreach treatment and training facilities in urban and rural areas the institution has established an **Urban Health Training Centre** and a **Rural Health Training Centre**. The university is also running **Adesh Institute of Dental Sciences & Research** (*estd. 2008*) and offering B.D.S. course with 100 annual intake in the campus itself with approval of Dental Council of India / / Ministry of Health & FW, Govt. of India. In addition, there are B.Sc. Nursing with 60 annual intake, Post Basic B.Sc. Nursing with 60 annual intake and GNM with 100 annual intake under approval of Indian Nursing Council; Bachelor in Physiotherapy with 60 annual intake; M. Pharmacy in **Pharmaceutics** and **Pharmaceutical Chemistry** with annual intake of 18 seats each; and B. Pharmacy with annual intake of 60 seats and other Paramedical and Biomedical programmes in diploma, degree and masters degree level with annual intake of 300 students.

Adesh Group is running **Adesh Hospital and Research Centre** (*estd. 1989*) at Sri Muktsar Sahib as a 300-bedded referral hospital having all specialities & some super-specialities. This hospital is the only of its kind in the region and offers integrated services in multiple specialities with facilities like Advanced Trauma Care, ICU, ICCU etc. etc. The Group added **Adesh Cancer Hospital** (*estd. 2003*) at Sri Muktsar Sahib which is the very first and well equipped super-speciality oncology hospital catering to the population not only of Punjab but also northern India. The Group added **Adesh Institute of Medical Sciences** (*estd. 1991*) at Sri Muktsar Sahib offering Nursing (ANM 60 seats, GNM 60 seats, Post Basic B.Sc. Nursing 45 seats, B.Sc. Nursing 60 seats and M.Sc. Nursing 10 seats), BPT 60 seats and other Paramedical programmes with a total annual intake of 250 students in Diploma, Graduate and Post Graduate programmes.

The Group is also running three engineering colleges: i.e., **Adesh Institute of Engineering & Technology** (*estd. in 1995*) in Faridkot, **Bhai Maha Singh College of Engineering** (*estd. in 2002*) in Sri Muktsar Sahib and **Adesh Institute of Technology** (*estd. in 2012*) in Gharuan, Chandigarh offering professional courses in the field of engineering, technology and management with annual intake of 1600 students in graduate and post graduate programmes. The group is also running two polytechnic colleges **Adesh Polytechnic** (*estd. in 1995*) in Sri Muktsar Sahib and **Malwa Polytechnic** (*estd. in 2003*) in Faridkot which are offering diploma in technical education with an intake of 1320 students per annum.

The latest feather added to the cap of Adesh Group upon establishment of proposed ADESH HARYANA UNIVERSITY on NH-1, Sahabad-M, Distt. Kurukshetra (Near Ambala Cantt.) with its' constituent institutions in the field of medical, paramedical, nursing and management. The State Govt. has already issued Letter of Intent for the University project as well as for the proposed medical college with 150 annual intake in MBBS.

Total number of students enrolled under the ambit of Adesh Group of Institutions is about 14000. There are more than 1600 teaching faculty and 2200 non-teaching staff presently on roll at various levels. In addition to these, the Adesh Group is providing indirect employments to few thousand people in the region.

ADESH GROUP is recognised as a premier technical, medical and allied healthcare educational institution in North India to deliver world-class healthcare services and professional education in the field of medical, dental, paramedical, technical and other emerging areas and shall remain dedicated to the service of humanity for the times to come.

To alleviate the feelings of the industry that the existing technical & medical education system was not keeping pace with the technological advances in the related fields, the society has taken a number of steps for toning up the technical education systems with industry orientation at all levels. The objective of the ADESH UNIVERSITY is to develop a sound system that should not only be responsible to the new innovations in technologies, but it is also be in tune with the contemporary industrial culture and economic environments by generating a generation of professionals in this field.

The thrust area of the institution is to deliver education in conformity to the modern trends, industry oriented, efficient and innovative curriculum, scientific methodology and latest techniques. The institution strives to be a Centre of Excellence in Medicine, Paramedical education, areas ultimately to raise the standard of education excellence in the country with a view to prepare future generation basic experts for proper utilization of the resources of the country.
