COLLEGE OF NURSING,
ADESH UNIVERSITY**

Date:

August 30th & 31st, 2023

Venue:

Adesh University Auditorium

Greetings from College of Nursing, Adesh University, Bathinda!

Dear participants,

It is our pleasure to invite you all for the pre-conference workshop and main conference on "NRP and paediatric emergencies to enhance the child care" on 30.08.2023 and 31.08.2023.

About Adesh University

Adesh University, Bathinda, the flagship academic and research endeavour of Adesh Foundation, a pioneer in health care, medical and technical education came into existence in the State of Punjab in July 2012. The parent body, the Adesh Foundation was established in 1995 in Sri Muktsar Sahib. The ADESH FOUNDATION has made a rapid progress and growth since its inception by introducing innovative and professional courses in medical sciences, allied health sciences, management and technical education.

About College of Nursing

At Adesh University, the College of Nursing is conducting B.Sc. (Nursing), M.Sc. (Nursing), Post Basic Diploma in Nursing & GNM programmes. The students have access to excellent clinical, library, e-learning facilities to enhance their learning. The College of Nursing, Adesh University aims to prepare nursing graduate to assume responsibilities as professionally competent nurses and midwives in providing holistic care.

About Pre-Conference Workshop

Pre-conference Workshop aims to offer neonatal nurses and healthcare providers with an opportunity to deliver time-bound core intervention to ensure survival of newborn and meet a broad and diverse set of professional needs.

- Provide knowledge regarding the care of baby at birth and New born resuscitation
- Enhance the skills of students regarding neonatal resuscitation using neonatal Simulator
- Build the team work and communication skills of students during simulation and Debriefing
- Evaluate the student's hands on skills on New born resuscitation

About Conference:

Objectives:

- Disseminate the latest concepts in critical care and emergency nursing in paediatrics.
- Identify opportunities for nurses to increase their knowledge in acute settings.
- Promote the professional development of nurses.
- Identify the strategies to improve the communication with family and patients.
